ONE STEP FORWARD

One Step at a Time Consulting Newsletter

LEADING OFF THE STARTING POINT

In a world increasingly divided by differing opinions, beliefs and experiences, the courage to reconnect has never been more important. Polarization often creates barriers where bridges are needed most, making meaningful connections and genuine understanding feel out of reach. Yet, true leadership and community begin with our willingness to listen, extend grace, and find common ground.

Dr. Sylvia W. Burgess
Terry Willie-Surratt

RESOURCE OF THE MONTH

**A RESEARCH-BACKED GUIDE CREATED
BY UC BERKELEY'S GREATER GOOD
SCIENCE CENTER (GGSC)**

Friday

September 18

2026
